

600 Amps

The diagram shows a floor plan for Stage D and its surrounding areas. Stage D is a large rectangular area with a cyclorama on its right side. To the left of Stage D is a rectangular area for Dressing Rooms & Offices. At the bottom of Stage D is a street-level drive-thru. Various dimensions are provided for different parts of the stage, including the main floor area, the cyclorama, and the catwalk. There are also 600 Amps and a 12' w x 15' h area indicated. The entire stage area is enclosed by a blue line, and the surrounding area is green.
